

## **R.H. Crawford teams up with the Truck Convoy for Wishes for the 14<sup>th</sup> year in a row**

Hanover PA, May 18<sup>th</sup>, 2015 – Since 2001, the Truck Convoy for Wishes benefitting the Make-A-Wish Foundation of Greater Pennsylvania and West Virginia has held an annual Truck Convoy for Wishes event and fundraiser in collaboration with local truckers and trucking companies to raise money through pledges to support local children with life-threatening medical conditions.

R.H. Crawford's drivers, mechanics, dispatchers, managers and staff worked together to contribute to another successful event this year. From volunteering at the event, driving the trucks and even participating in a dunk tank to raise funds for the Make-A-Wish Foundation, the team came together in support of local children with life-threatening medical conditions for the fourteenth year in a row.

R.H. Crawford had three of their own drivers participate in the convoy this year. Steve Wray JR has participated in the event every year since 2001. The R.H. Crawford team and volunteers were among the top ten fundraisers this year.

With the support of the community and local trucking companies like R.H. Crawford, the event has grown from 18 trucks raising \$6,000 in its inaugural year in 2001 to raising over \$719,000 since then with over four hundred trucks and 100 Wish kid rides turning out for this year's annual event. Thousands of spectators came out in support. Truck drivers raised funds over the year and the convoy provides a police escorted ride for all Wish children in attendance. The event also featured a fun filled day of rides, games, food vendors, kid's safety programs and raffles.
