

Hanover Logistics Trucking Company, R.H. Crawford teams up with the Truck Convoy for Wishes for the 15th year in a row

Hanover PA, June 1st, 2016 – Since 2001, the Truck Convoy for Wishes benefitting the Make-A-Wish Foundation of Greater Pennsylvania and West Virginia has held their annual Truck Convoy for Wishes event and fundraiser in collaboration with local truckers and trucking companies to raise money through pledges to support local children with life-threatening medical conditions.

R.H. Crawford's drivers, mechanics, dispatchers, managers and staff worked together to make this year's event a great success. From fundraising, volunteering at the event and driving the trucks, the team came together in support of local children with life-threatening medical conditions for the fifteenth year in a row. Driver Steve Wray JR has participated in the event every year since 2001. The R.H. Crawford team was among the top ten fundraisers again this year.

With the support of the community and local trucking companies like R.H. Crawford, the event has grown from raising \$6,000 in its inaugural year in 2001 to raising over \$120,000 in 2016, granting 31 wishes.
