Hanover Logistics Expands Warehouse Space in the New Year

Hanover, PA— 26 Barnhart Drive — January 2019

Hanover Logistics announces the purchase of the former GlaxoSmithKline fulfillment center located in the Penn Township Industrial Park at 26 Barnhart Drive Hanover, PA.

“More space is essential for us to support our current and future customer’s needs as they grow. We are excited to have the opportunity to acquire a first class building within Hanover, a place our company and team calls home” said Kurt Dietrich, President at Hanover Logistics.

26 Barnhart Drive is a 320,000+ sf high ceiling, food grade dry warehouse facility comprised of 3 temperature-controlled sections with RF access throughout. This multi-tenant facility is convenient to the Port of Baltimore with proximity to all major shipping lanes with access to the Northeast/Mid-Atlantic states.

Hanover Logistics, a full service third party logistics provider, exhibits their commitment to promoting future growth in the area, providing employment opportunities and promoting Hanover as a prime distribution hub with the purchase of 26 Barnhart Drive. Hanover Logistics’ newest property brings the company’s warehouse square footage to just over 1.2 million in addition to their fleet of R.H. Crawford’s 90 plus tractor trailers.

Hanover Logistics is a local & regional full service third party logistics provider with its operations lying under Hanover Terminal, Inc. (warehousing, founded in 1955) and R.H.Crawford, Inc. (trucking, founded in 1932). The company offers a wide range of services designed to optimize our customer’s warehousing, trucking and logistics needs.
