Hanover, PA—September 26, 2022—

PMTA recently honored two of R.H. Crawford's top drivers, Jeff Reed and Matt Davis. The Pennsylvania Motor Truck Association's Safety Management Council's Drive of the Month/Year Program recognizes outstanding drivers for their achievement in highway safety.

Jeff Reed has been driving professionally for over 20 years and has been with R.H. Crawford for over 5 years. "Jeff is upbeat and easy to work with, he needs very little direction and gets the load delivered safely and on time" said Abby Nance, Safety Director with R.H. Crawford. "His can-do attitude has quickly made him a favorite with dispatch. Jeff's professionalism is seen with his accident-free record and spotless truck inside and out. The mechanics are eager to work on his truck because Jeff always takes great care of the equipment." Jeff enjoys working on cars and his motorcycle in his free time. He is very handy around the house and enjoys gardening and home improvement projects.

Matt Davis has been a professional driver for over thirty-seven years, five of those recently have been spent at R.H. Crawford. He has clocked in over 3.5 million accident-free miles traveled plus three years in a row of Safe Driver awards. "Matt is a part of our dry van division and hauls over-the-road. He has been a loyal driver and is always willing to help in any way he can," said Brea Yager from R.H. Crawford. "Dispatch can always count on Matt for the freight to arrive safely and on time. He is respectful and always has a positive attitude and is willing to go above and beyond." Being over-the-road, Matt

doesn't have a lot of time home. While he is home, you can find him riding or working on his Harley and spending time with his family. He talks about his grandchildren all the time and is a family man- always putting his family first.
